

**GSST**

**CASIO**  
**ADJUSTABLE KEYBOARD STAND**  
**MODEL #GSST**

**Assembly Instructions:**

For the convenience of the user, structural components Leg No. 5 and 6 are pre-assembled at the factory with the #7 screws lightly threaded into the ends. The rest of the assembly procedures are as follows:

1. Fasten screw No. 7 through stem No. 1 to connect leg No. 6 by using wrench supplied.
2. Fasten screw No. 7 through stem No. 2 to connect leg No. 5 by using wrench supplied.
3. Fasten screw No. 7 through stem No. 3 to connect leg No. 5 by using wrench supplied.
4. Fasten screw No. 7 through stem No. 4 to connect leg No. 6 by using wrench supplied.
